

How to use your new Robo Cans

- Start using new can upon receiving it.
- Discard your old can by placing it and leaving it at the curb.
- Blue can is for recycling, recycling must be placed loose
(No Plastic Bags) Cardboard must be flat and also placed in can.
- Burgundy is for trash. Trash should be securely bagged.
- Lids should be closed.
- Items placed outside, on top or besides your can
will not be picked up.
- Place your can in the street against the curb with lid
opening facing the street
- Place your can at least 4 feet from all obstructions, including
your vehicle.
- Second can requests will be taken after September 15th.

Call Berkeley Township Public Works to schedule your bulk pick-up
(Items that do not fit in your trash can)
