## From The President's Desk

To all SRPW Community Residents,

As we begin 2026, I want to extend my warmest wishes to everyone in our community. A new year gives us the opportunity to reflect on our progress, refocus our priorities, and continue working together to make our neighborhood a place we all are proud to call home.

In the months ahead, the Board will continue our commitment to increased transparency, timely communications, fiscal management and responsibility. We will also be sharing updates on maintenance schedules, upcoming projects and community initiatives designed to improve the overall experience for all residents.

Your feedback and participation remain invaluable. In this day and age of volunteerism falling off, our community survives on it. Without those who volunteer their precious time, this community would not exist as it is. We are always in need of volunteers, especially those with financial management, code enforcement and construction backgrounds.

Whether you attend meetings, reach out with questions or simply stay engaged with community updates, your involvement strengthens our association and helps guide our decisions. Thank you for your continued cooperation and support.

Wishing you and your families a safe, healthy, peaceful and successful 2026.

Richard Laird, President

SRPW - HOA

## From The Vice President's Desk

As we welcome January 2026, I want to extend my warmest wishes to everyone in our community. A new year brings a fresh start, new opportunities, and renewed commitment to keeping our neighborhood a great place to live.

Thank you all for your continued cooperation, involvement and support throughout the past year.

Wishing you and your families a healthy, peaceful year ahead. Let's toast to yesterday's achievements and tomorrow's bright future.

Happy New Year!!

Esther

## Dues Assessments

The first-quarter dues payment of 2026 are due on January 1st. A late fee of \$15 will be added to your account on the 1st of the next month if dues are not paid on time. Association dues assessments are payable on or before the first day of a given quarter. To ensure that your dues payments are posted correctly, your payment must be accompanied by a dues coupon containing all of the required information. Be sure your information is legible. Payments may be sent to the Clubhouse by mail, brought to the Treasurer's office or placed in the dues box on the main floor of the Clubhouse. **Dues coupons are available at the Clubhouse and are published in The Sentinel.**

As a homeowner, your obligation to pay dues continues as long as you own your home and it is the homeowner's obligation to pay dues for renters. Individuals residing in your home with you on a permanent basis ("permanent" defined as a stay of more than 90 days) must be 19 years of age or older and are obligated to abide by the Association's governing documents. Also, remember, if you own more than one home, each property is subject to dues.

## NEIGHBORHOOD WATCH SEE SOMETHING SAY SOMETHING

Our Neighborhood Watch meeting was very informative. Our Mayor was in attendance along with Shawn Thomas (Sanitation), Michael Tier (Detective) and Frank **Casalino** (Animal Control).

Mayor Bacchione talked about our DO NOT KNOCK ordinance. Solicitors have the right to solicit in our area if they are licensed with Berkley Township. If you do not want them knocking on your door, fill out the DO NOT KNOCK form located in this addition of the Sentinel and mail it to the township. They will put you on a list and send you a sticker to place on your door or window.

Shawn explained to us the new rule with robo cans if you are disabled. Starting January 2026, you will have to bring to the department a doctors note along with your disabled plaque for sanitation to pick up your garbage.

Frank talked about the wild animals in our community. Please **DO NOT FEED THE DEER**. He explained to us, if you feed them, we will have more and more in our area. We will also get other wild animals as well.

Michael Tier talked about all kinds of fraud. Please be careful while on the internet, receiving emails and answering your phones. Do not give anyone any personal information.

All suspicious people or activity should be **IMMEDIATELY** reported to Berkeley Township Police Department 732-341-6600.

After reaching out to the police, please notify Virginia or Vicki so that we can document the incident. All callers and addresses will be kept anonymous; however, it is important for us to keep the community informed and safe.

In an emergency always call 911.

Silver Ridge Park West Homeowner's Association  
Meeting minutes  
November 10, 2025

Call to Order: Meeting called to order at 3:00 pm

Pledge of Allegiance: Led by President Richard Laird

Pat Lima: Opening prayer.

**Richard Laird:** Virginia, do we have roll call?

**Virginia:** President. Here. Vice President. Here. Secretary, here. Section 5. Here. Section 6. Here. 7. Here. Section 8. Here. Section 9. And 10 and 11 are excused. So, we have a quorum.

**Richard Laird:** This meeting is held in accordance with SRPW governing documents and Robert's Rules of Order – 12<sup>th</sup> Addition. This meeting was announced in the Sentinel, SRPW website and the clubhouse door.

All board members & trustee approved the minutes for August.

**Richard Laird:** President's report: As you know we did something a little different tonight, at the homeowner's meetings. Attendance is taken and we need 40 homeowners in good standings if we want to take a vote on any issues that may come up. Anyone with outstanding dues is not considered in good standing at this time.

And one of the things I'll talk about right now. We won't have anybody jumping up and screaming and yelling. If you have something say, please raise your hand. Go to the microphone.

I have a motion to accept the October minutes. All in favor? The minutes have been accepted.

We've talked about updating the rules and regulations. They're not done reviewing them as of now. So, I'm going to need a motion to extend that until to our December meeting. If I could have a motion. All in favor? Okay. That's unanimous.

As everyone knows, we have new clubhouse hours. They are Monday through Thursday, 10 am to 1:30 pm. We are closed on Fridays and Holidays. The clubhouse is open on Fridays for downstairs. On Saturday it will only be open for the sale of tickets; set-up for parties. Architectural control hours will now be 11 am to 2 pm on Fridays.

Our budget for trees right now is \$69,000 per year. We're just picking out the trees right now that are severe and needs to come down. We're probably looking at another 12 or 15 trees by the end of the year. We're probably looking at another \$10,000 to \$15,000 for the tree.

Our insurance agent made it very clear to us that if activities like tai chi, yoga, whatever it is, don't have their own insurance, we would be liable as an association for damages. That was something through the insurance company that had always been in place and should have been enforced. I'm going to ask for a motion from the board that if you don't want to pay for your own insurance, they cannot participate in activities in this building. If I could have a motion, please. All in favor? Pass unanimous.

**Esther Perez, Vice President,** Common grounds, right now, we are done for the season. That doesn't mean you can stop sending in your sheets that are in the bulletin. We don't pick up items in the common ground that people have put out. We only pay our landscapers to cut the grass. So please, if you've got any kind of

limbs, if you can fit them in your robo can, put them in your robo can. The township will not pick them up anymore. The first Monday before Thanksgiving, they're going to be picking up leaves, just bag them up and they will come pick them up.

In 1995, Bill Clinton signed a federal document, the HOPA housing for old persons act. We have a committee going through updating the form to make it a little easier. But we still all need to update that every two years. Because if we're not compliant, the state will take us over. So please be mindful of that when they come through.

Robo calls cost us about \$700 every 6 months, and we don't have many people on the Robo call list. It's for things that are important, whether the clubhouse is closed, it's, you know, we have a gas leak. These are the things we'll use it for.

We have so many folders in the office that have absolutely nothing in it. Life changes as your needs change. When authorities, police, firemen or ambulance workers contact the clubhouse because they need to contact people on your behalf. It's important that we have information at the clubhouse and that it's up to date. So please, for yourselves, make sure that we have a current emergency contact list. Thank you.

**Virginia Sansone, Secretary:** We're still working on the Sentinel. What I do want to ask is if you are placing anything in the Sentinel for January, I do need your information no later than the 9<sup>th</sup> of the month. If you can't get it to me right away, call me.

**Richard Laird, President:** Treasurer position is open. If anybody is interested in assuming and taking over that position, we welcome you, but we're not in a position where we really can start paying anybody to do the treasurer's positions long. Our new office assistant is also helping with the bookkeeping.

I'm going to talk a little bit about the upcoming budget. But right now, we have \$687,500 total assets. Our income for October was \$28,042.28. And our expenditure was \$26,323.24. So, we have net income to the plus of \$1,739.02. So, we were staying ahead of budget as much as we can. Again, we will be spending some money on trees this month.

This year alone, we're up to 435 households that are behind on dues. It went to \$72,000. So, my first proposal is I've already talked to the board about this. We're going to have our attorney write a very stern letter to the people that owe us money. Basically, a threatening letter says that if you don't pay us, we're going to take legal action. The other thing is I want to investigate is a collection agent. I would ask someone to please make a motion to look into a collection agency. Second, all in favor? Opposed? Thank you

**Resident:** I just had a question with regard to the collection that you want to investigate. in fact, you do investigate that and you decide to do that, there's no guarantee you won't get any money that way

**Richard Laird:** Well, we're looking at all avenues of possibly getting money back. Like you said, I thank you for bringing that up. It's going to be something we investigate.

**Marybeth Mc Gill** Section five: All quiet

**Brian Kochera** Section Six: I had a homeowner call me to verify that voting would be at the clubhouse.

**Debi Tobia** Section Seven: Nothing to report. There's a proposal that I'd like to make for the temporary fences, and I would like to extend it by December.

**Bob Sellitto** Section eight: I have nothing to report, but I do want to say that I'm also the code officer for the whole development, so starting December 1st, in my travels around, I'll be looking to make sure that if somebody's doing work on their own, that they have a certificate in the window provided by the association, which we just started. Just to let everybody know, we're going to be enforcing that.

**Shirleyann Emmons** Section nine: all good.

**Esther Perez:** And to get back to what Bob was saying, page 14 of the November Sentinel has, for your information, architectural control committee, and it actually covers a lot of information.

**Richard Laird:** We're going to open to questions and answers, and again, if you have a question, go up to the podium, state your name, speak in a microphone. Thank you very much.

**Pat Ciccarelli:** I have, and I don't know if you have, but there were rules and regulations that were approved as of 2-13-2023 as opposed to 2019. And I see that you're trying to combine.

**Richard Laird:** No. You have two different sets. The rules and regulations were in 2023. The bylaws were in 2019. That's two different documents. Well, let's make it clear so the residents know what you're talking about. The board has the authority to change the rules and regulations and if they feel they want to change the way the fencing is done, they will vote on it and the fencing will change.

**Resident:** My question is, when I read the Sentinel for September 14th's minutes, there's a reference to, and I'm not sure what to call it, if it was an expense or a check was given to a group of people to an event club in the amount of \$13,000. And my question to you in my letter to you was, if in fact, was that an expense?

**Richard Laird:** No, it was not an expense.

**Resident:** What was it then?

**Richard Laird:** You need to speak to the previous president and treasurer who knows the truth about this and lies have been going around. The event club at that time was operating under the association's EIN. The president at that time allowed the event club to unlawfully obtain a gaming license under our employee identification number. The attorney told the previous administration that the events club had to get their own EIN, which they did. I was in the meeting in January. Now, before we go any farther, this is being investigated by the police. There is a civil and criminal charge that's going to be filed against individuals for giving out wrong information. It was transferred. It was not a line item in our budget. It was not part of our profit and loss. It was a separate entity that kept track of the paperwork through the treasurer's office. And I cannot go any farther than that. So, it directly affects the budget. Did not affect the homeowner's association dues. Did not affect you at all.

**Resident:** Then why was it being confidential when.

**Richard Laird:** That document that would be in read was confidential. It was handed out at a trustee meeting. That document should not have been given out because the individual said he was running for vice president. He wasn't a candidate, he was a write-in and no other candidate was privy to that information.

**Resident:** In the minutes it was shut down.

**Richard Laird:** Because it was reading a confidential document that's why it was shut down.

**Resident:** And you have that authority?

**Richard Laird:** I did I in defense of the gentleman, if not he could be in front of a judge or ask for just cause or why he was reading that in a public statement. That was for his protection. Now, if you really want to know the truth it should have been part of our budget, and it wasn't considered part of our budget now it has become an IRS issue. And if you really want a straight answer on what really went on the truth instead of rumors that are going around social media ask. Maria Brush and Jim Conway, they know exactly what transpired and a couple meetings ago.

**Resident:** So, they changed the EIN number?

**Richard Laird:** Exactly. They were told to. That's all it was, And their name. So now they're independent of the club. Before they were under association now, they're not. No different than the men's club and women's club. Same situation. Matter of fact even talking to the detective, he even has the documentation from the bank it was just transferred from one bank account to the other bank account.

**Janet McCurnan.** I'd like to know whose name is on that account you were just discussing. The community event club. Whose name and whose checking account, is it?

**Richard Laird:** It's in their checking account. And it says the Community event club.

**Janet McCuran** It's not in a personal account?

**Richard Laird:** Absolutely not ma'am and don't throw that out there. Listen last time. I'm not saying it again. This discussion is over and it's become a legal matter.

**Richard Laird:** You're responsible for your own sidewalk, ma'am.

**Maureen Howley:** It's a 55 community. There's a lot of elderly people. Our dues don't include that. There are many people that I'm sure are unable to shovel. So, if there's \$600,000-something dollars, why can somebody not be hired to at least shovel sidewalks? Not driveways, but at least the sidewalks.

**Richard Laird:** So, you understand the \$600,000. It includes \$300,000 in dues for the year. And which runs the building, Between the building, insurances, utilities, and everything that goes on. and trees, So, if something serious happens around here, like the roof blows off the building, we have it reserved by state law, the money in the bank, so that we can repair it.

**Lorraine Lemming.** Veterans Pancake Breakfast has always been run by the recreation committee. The men this year and last year, I believe, and maybe the year before, but we need volunteers. We graciously served these veterans ourselves, and we're not on the recreation committee. Pat Lima ran the whole thing, got all the supplies and everything we needed, and these veterans really enjoyed this breakfast. So, in the future, maybe we can arrange for either another group of people running the pancake breakfast or have the recreation committee do it the way we've always done it.

**Richard Laird:** The recreation committee just started. Communications were with the men's club two months ago. In addition to that, just so everybody's aware, the HOA paid the bills for that breakfast, and we're not getting any acknowledgment for that.

Any other questions? Okay, thank you very much. I'm sorry if you got a little testy here, but sometimes you get tired of hearing certain things. Motion to adjourn? Second. All in favor? Thank you,

Adjourned at 4:00 pm

## SNOW PLOW AND SALTING PROCEDURES

At the start of a snow storm, salt and sanding vehicles are dispatched in Berkeley Township. Major roadways are usually done first, followed by secondary roadways. After the snow has stopped and it has been determined that accumulations have exceeded 2" to 3", the Township will begin to snowplow.

The Township will utilize approximately 70 pieces of Township equipment and approximately 30 contracted loaders for cul-de-sacs. All streets are opened curb to curb to insure the drains are opened. Sanding and salting operations continue as needed.

Each snowplow vehicle has been assigned a section to plow and will remain in that section until all roadways have been sufficiently cleaned. This may require the snowplow vehicle to make multiple passes on each street. Township forces will be plowing each street from curb to curb during each snowfall. On occasion, due to the lack of areas between the sidewalk and curb, sidewalks and driveway aprons may become covered with snow that falls off the Snowplow blade.

**Township forces will not remove snow from any sidewalk or driveway apron in these instances.** We regret this unfortunate inconvenience. At no time is snow to be disposed into the street from the property, parking lots, driveways and sidewalks. All snow blowers should be directed to blow snow back onto the property.

After the streets are plowed and salted, snow deposited back into the roadway creates hazardous situations, causes additional plowing of the streets and blocking of parked vehicles and driveways after the original cleanup. Summonses could be issued for non-compliance. We want to thank everyone for complying with these requests and following the ordinances, rules and regulations of the Township of Berkeley.

Any questions on these policies and procedures, Call Shawn P. Thomas, Director of Public Works at: 732-349-4616 or 732-341-1022. Or you can email: [sthomas@berkeleystownship.org](mailto:sthomas@berkeleystownship.org)

# HOW TO KEEP YOUR NEW YEAR RESOLUTIONS

## BE SPECIFIC

You want to make goals that guide your decisions throughout the year and motivate you to stick by it. Making a concrete goal is really important rather than just vaguely saying "I want to lose weight."

## ONE STEP AT A TIME

Break those big goals down into little goal-lines that you can achieve throughout the entire year. Trying to take too big a step, too fast - can leave you frustrated, or affect other areas of your life to the point that your resolution takes over your life.

## CREATE A VISUAL

Logging progress into a journal or making notes on your phone or in an app designed to help you track actions can also reinforce the progress, no matter what your resolution may be.

## TALK ABOUT IT

Having someone to share your struggles and successes makes your journey much easier and less intimidating.

## REWARD YOURSELF

When making your plan, an essential feature should be the rewards and treats you will give yourself at those all-important milestones. Celebrate little victories!

## DON'T GIVE UP

Feel proud of your past achievements and don't become too critical of yourself. Everyone has ups and downs! Resolve to recover from your mistakes and get back on track.

## How to use your new Robo Cans

- Start using new can upon receiving it.
- Discard your old can by placing it and leaving it at the curb.
- Blue can is for recycling, recycling must be placed loose (No Plastic Bags) Cardboard must be flat and also placed in can.
- Burgundy is for trash. Trash should be securely bagged.
- Lids should be closed.
- Items placed outside, on top or besides your can will not be picked up.
- Place your can in the street against the curb with lid opening facing the street
- Place your can at least 4 feet from all obstructions, including your vehicle.
- Second can requests will be taken after September 15th.

Call Berkeley Township Public Works to schedule your bulk pick-up

## WINTER HEALTH & SAFETY TIPS

**Dress Warmly** Wear dry, loose-fitting layers that will hold your body heat and cover exposed skin, like your face and hands.

**Prevent Falls** Watch out for slips on ice and snow by wearing sturdy shoes and walking at a slow pace.

**Winterize Your Home** Install insulation, weather stripping, storm windows, and check your heating systems.

**Watch Your Shoveling**  
If you have snow to shovel, take breaks often.

**Be a Winter Buddy** Check on family, friends and neighbors, especially older adults, to make sure they have heat and are safe inside.

# PROPERTY ASSESSMENT REVALUATION

It has been almost fifteen (15) years since a revaluation was completed in the Township of Berkeley New Jersey. Real estate taxation law mandates that all real estate be assessed at 100% of market value and there must be equalization among assessments.

Annually, the State of New Jersey, Division of Taxation, and the Ocean County Board of Taxation complete a study of all the sales that have transacted in each community, including the Township of Berkeley, and determine the relationship of assessed value to sale value for each usable sale.

It has been determined by the State and County agencies that the properties located within the Township of Berkeley are currently not assessed at market value. The Ocean County Board of Taxation has ordered a revaluation of the Township to be completed and implemented by the 2027 Tax Year.

Some of the major forces responsible for causing inequity in assessments are inflation and neighborhood trends. As a consequence, all properties have not increased in value at the same rate since the last revaluation; hence, imbalances have been created.

We have prepared this brochure to help you understand the process that takes place during a revaluation program. In addition, it is an attempt to answer some basic questions and to clear up common misconceptions.

For further information about the revaluation, please contact Professional Property Appraisers at 1-866-957-1388 or visit their website at [www.ppareval.com](http://www.ppareval.com). Thank you for your cooperation in helping my office complete this revaluation program.

*January*

Winter looks like January  
When she's wrapped in days of white;  
She's a diamond-sparkled fairyland  
Covered in crystal light.

Winter looks like January  
With snowflakes, frost and cold,  
With icy winds and frozen lakes  
And sledders brave and bold.

Winter looks like January  
With drifts of snow piled high,  
But the north winds briskly blowing  
Make me wish it was July!
